TOURNAMENT SERVICES

Services	
1	Many events choose to have proximity hole prizes during their tournament (longest drive, closest to the pin etc.). We can provide these proximity markers free of charge. We will put them out as well as pick them up immediately after your tournament. If you are planning on using this service we request that you provide us with a list three days prior to your event.
2	The professional staff can do your scoring for your event for a charge of \$1.00 participant. If you select this service we require that you provide us with the format (i.e.: stableford, Texas scramble, etc.) at least one week before your event. If your event is to be handicapped, we will need a complete list of everyone's handicap one week prior.
3	If you are in need of prizes for your tournament, we have a fully stocked pro shop that will offer you many prize ideas. Gift certificates are the easiest way to satisfy all your participants and help cut down the amount of presentation time required for the tournament committee. These may be purchased from the pro shop at any time. All gift certificates will be valid until the end of the golf season.
4	We have rental equipment available to all golfers who require it. We ask that you get a list of all players who will need to rent golf equipment and fax it to the golf shop one week prior to your event.

If this number exceeds four golfers you will be required to pay for these no shows. |
